

MATH 2270-002 Final Exam Policy

Instructor: Alp Uzman

May 1, 2024, 8:00 AM - 10:00 AM

Duration This exam is timed and will last for 120 minutes. The duration accounts for both the test questions and any logistical considerations or disruptions that may occur.

Submission and Identification The exams will be digitized and uploaded to Gradescope by the staff. To prevent any mix-up or loss of pages, make sure to print your initials into the box on the top right corner of each page of the exam booklet. Additionally, clearly print your name and uNID in the designated areas on both this policy document and the exam booklet.

Attendance Attendance will be recorded approximately halfway through the exam. Have your university ID ready on your table to show when attendance is being taken. This policy document will also be collected at this time; ensure it is read, filled out, and signed.

Closed-Everything This is a closed-everything exam. No materials, including but not limited to textbooks, notes, or electronic devices, are allowed. Make sure all electronic devices are turned off and all non-essential items are stored away before the exam begins.

Communication & Questions Communication with anyone other than the instructor or designated proctor is strictly prohibited during the exam. If you have any questions or need clarification during the exam, raise your hand and wait for assistance from the instructor or proctor.

End of Exam Remain seated until your exam booklet has been collected and you have been dismissed.

Academic Integrity Cheating or dishonesty will not be tolerated. If any form of academic misconduct is detected, disciplinary action will be taken immediately, without prior notice.
